Mrs. Frances Howse received a cablegram yesterday from her nephew, Mr. D. C. Hull of Cuba, announcing that he would arrive at Port Tampa this afternoon and will come to Ocala for a visit at the home of Mrs. Howse. Mr. Hull is originally a Marion county boy and as he was very popular with a large circle of friends and since it has been fifteen years that he has been away, he will be given a most cordial welcome on this visit.

AUCTION PARTY

Miss Agnes Burford entertained very informally but most pleasantly yesterday afternoon about a dozen of her friends at a game of auction to make the acquaintance of her guest, Miss Marion Howard Tharin of Madison.

About five o'clock the players commenced what proved a very enjoyable game which lasted for an hour and a half, and then the young hostess, assisted by her sister, Miss Mary Burford, served a refreshing and delectable salad course with sandwiches, mints and drinks.

Miss Elizabeth Davis was presented with a dainty gift for making highest score and to the honoree was given a lovely remembrance.

Miss Tharin is a most attractive and charming young lady and during her short visit in Ocala is making many friends who regret very much the shortness of her stay.

The following were those who enjoyed Miss Burford's hospitality: Miss Marion Howard Tharin of Madison, and Misses Elizabeth and Meme Davis, Ava Lee and Marguerite Edwards, Eloise Henry, Caroline Harris, Sue Moore, Elizabeth Hocker, Marion Dewey and Mary Burford.

Men's white flannel, stripe serge, white duck and rep pants to be worn with sport coat. We have them. H. A. Waterman, the haberdasher. 13-5t

Nut Butter is Wholesome.

Cocoa butter, as nut butter is called in England, was not accepted with enthusiasm by the British public when natural butter became scarce during the war, so the food committee of the Royal society made some elaborate tests of its effects on human beings. The New York Medical Journal summarizes the results, which show that slightly less of the fat of cocoa butter than of that of real butter is utilized by the body; it causes no digestive troubles; when consumed in large quantities it has a slightly laxative effect, and in general it is a safe and wholesome food.

Bugs That Birds Eat.

According to a paper on behalf of bird protection published by the State Horticultural society of Kansas the bird population of that state is 256,000,000, which every year eat enough insects to fill 480 trains of 50 box cars each—24,000 cars of a minimum weight of 24,000 pounds to the car. These insect trains would be long enough to reach from Oklahoma to Nebraska. Reduced to pounds, Blair figures that the birds of Kansas every year eat 576,000,000 pounds of insects. It is hard to conceive the dollars and cents value of the insect-eating birds to the Kansas farmer.

AIR SERVICE GOES TO AID OF SALVATION LASSIES

Salvation Army lassies all over the United States are busy just now getting ready for the nation-wide Home Service appeal for \$10,000,000 the Army is to make from May 10 to 20. Here are some of the popular blue-bonneted girls loading an airplane with printed matter so urgently needed that the usual method of shipment would have been too slow.

The supplies which were in New York City had to be in Albany the same afternoon. The United States Air Service stepped into the breach and got them there from the flying field on Long Island in a little over two hours. The obliging aviator is Sergeant J. Cole. The three lassies are all "war veterans."

KEPT HER AWAKE

The Terrible Pains in Back and Sides. Cardui Gave Relief.

Marksville, La.—Mrs. Alice Johnson, of this place, writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful.

I could not do anything, not even sleep at night. I kept me awake most of the night. I took different medicines, but nothing did me any good or relieved me until I took Cardui.

I was not able to do any of my work for one year and I got worse all the time, was confined to my bed off and on. I got so bad with my back that when I stooped down I was not able to straighten up again. I decided I would try Cardui. By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone.

I shall always praise Cardui. I continued taking it until I was strong and well." If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial. NC-133
